Dear Parents/Guardians,

Reverse Advent Calendar Project- Food Bank Collection – Friday 8th December

Reverse advent calendar projects are becoming more common, the idea of giving someone else a gift leading up to Christmas. **On Friday 8th December , Hugh Christie will be doing a food bank collection for Nourish Community Food Bank to show our support to the wider community.** We are hoping you will be able to support us with this by giving any spare unperishable food to your child to bring in to school on that day.

It is important that young people are able to be involved in charity events and see the good that comes out of it. We will be collecting food in the library which will be open at the front entrance for students to drop off any food.

Below is a list of food often required however, it is also nice to include some treats for Christmas. Sixth Form students will be coming around to advisory groups to raise awareness and there will also be lists of food required in school for students to see. Please see the Trussell Trusts website for more details:

<https://www.trusselltrust.org/get-involved/ways-to-give/donate-food/>

There will be an opportunity for two Year 7 students and two Year 8 students to come with us to drop off the collection and see where it actually goes and the positive impact it has. These students will be nominated by advisors.

Any donation could make a real difference. If you have any queries please feel free to contact admin@tonbridgefederation.co.uk

Thank you in advance

G.Crosby
