

20th June 2018

Dear Parents/ Carers

As you are aware, next week (25th – 29th June) is Focus Five week for Years 7 & 8 where the time table is different and students will not be following their normal lessons.

You should have received a letter outlining the trips that are taking place on Monday, Tuesday and Wednesday; we would hope that every child would go on one of these trips. Please send this in by Friday 22nd at the latest.

On Friday, a group of Year 7 are visiting Universities and some students will have been selected for the Rewards Thorpe Park Trip also on Friday 29th. You should already have received information regarding this.

If students are not on a trip on Monday and/ or Tuesday they need to be in school, fully equipped ready to complete a personal project. A fully charged net book, coloured pens/ pencils and a note book will be essential items for those days, whether that be one or two days depending on which trip your child is on.

If your child is NOT on the Wednesday trip they will be doing a day of outdoor activities and we have been given permission for the students to come to school in their PE kit, but with an eye on the weather so bring Hugh Christie track suits and tops if necessary. Please also remind your child to bring and use sun cream on that day as we will be outside.

Students going on the trips must be in full uniform and must have a packed lunch.

On Thursday, Year 8, 7TC and 7BH are doing the Science fair and the other Year 7 classes are in their REAL rooms.

On Friday Year 8 will be with REAL so they should go to their REAL classes at 8.30.

On Friday, some of Year 7 are going to Universities and the rest are in school.

If you have any queries about this week please do contact me on hswinnerton199@tonbridgefederation.co.uk

I know the week will be an exciting and informative one.

Yours sincerely

Heather Swinnerton

Deputy Principal.
